Bought for my Mom who has been solving his puzzles for years. She says the puzzles in this book seem to be more difficult than in the past. Book is well made and easy to open up to the pages.

Just what I expected.

I, like many, have worked Merl's crosswords for decades. He's very clever and his clues are fun, and I'm still mourning his passing this past summer. I have several of his books and I'll have them all eventually.

Great deal, good price, packed well, prompt communication

Not so much fun. Intriguing as he is, these are impossible to complete.

If you enjoy fun and challenging crosswords, these by Merl Reagle are "must-haves". There's nothing more to say -- buy and enjoy.

I've loved Merl's crossword puzzles for years! These puzzles are challenging, yet fun!

Love Merl's twist on crossword puzzle solving.
