Such a cute book for little Marvel fans and the kids at heart who just want a nice bedtime read

This is a fun book. My three year old knows a few marvel characters and I enjoyed introducing him to guardians of the freaking galaxy with this book. The artwork is a cool mix of child friendly and what you'd expect from science fiction. The story is a little awkward to read. It's almost read as a lullaby for Groot, with Rocket Raccoon interrupting. We mostly just flip through and look at the pictures.

My son has been obsessed with GOTG and so this book is perfect. He's wanted to read every night, for two weeks. So I think it's definitely a winner. He also will pick up randomly just to look at the

pictures, which are super cute!

Brand new book no wear at all. It's very good quality and I was happy with my purchase.

My kids loved this! My 3 and 5 year old have both seen Guardians movie. It could be because they are familiar with the characters, but we have read this twice a night so far (got it a few days ago). It was not the same with other "night night" books.

Such a cute book and the illustrations are beautiful. My 4 year old nephew loved it and asks over and over for this book.

Such a cute book! This is definitely more for me than it is for my LO right now, but I love the illustrations and it's actually a very sweet bedtime book. If you love baby Groot, definitely get this!!

Great book!!! I actually ordered it twice!!! Once for my son and once for a friend's daughter who is learning to read. This would be a great book to learn to read on!!
