## Customer Reviews

Book by Scalpone, Joan Lundquist

Love these books. Funky old Florida. Can't beat the price.

I loved this book. But the problem is it was written in 1988, a lot has changed since 1988. In 2001 I went to just every place in the South west Florida book, there were only a few places that could not be found. Some were not much there, but had history behind them. Usually I would make my trips to include 3 sights in one drive.

What a pile of crap. She writes about places that don't exist, she uses cutsie italics in an inappropriate manner, and in general demonstrates a total lack of her subject matter. One wonders if she even visited half of them. Pile o crap.
