Rag Rugs, Revised Edition: 16 Easy Crochet Projects To Make With Strips Of Fabric

Synopsis

Create your own designer rugs with just a large crochet hook and a bag of rags! This book shows you how to turn colorful fabric scraps into warm and cozy accents for your home. You'll be amazed at how easy and fun it is to make beautiful, durable rugs using inexpensive materials and supplies. With gorgeous color photographs and clear, straightforward instructions, author Suzanne McNeill presents 18 lovely projects to make with strips of fabric. Crafters of all ages and skill levels will enjoy using her simple crochet techniques. Discover how to update this traditional craft with endless possibilities of color and fabric combinations. Whether the pattern is square, rectangular, hexagonal, round, oval, or heart-shaped, each custom rag rug you make is sure to become an instant heirloom treasure.

It's easy and fun to make your own rugs. Create your own designer rugs with just a large crochet hook and a bag of rags! This book shows you how to turn colorful fabric scraps into warm and cozy accents for your home. You'll be amazed at how easy and fun it is to make beautiful, durable rugs using inexpensive materials and supplies. With gorgeous color photographs and clear, straightforward instructions, author Suzanne McNeill presents 18 lovely projects to make

with strips of fabric. Crafters of all ages and skill levels will enjoy using her simple crochet techniques. Discover how to update this traditional craft with endless possibilities of color and fabric combinations. Whether the pattern is square, rectangular, hexagonal, round, oval, or heart-shaped, each custom rag rug you make is sure to become an instant heirloom treasure. 18 projects for making beautiful, durable rugs. Create warm and cozy accents for your home. Great ways to recycle rags, leftover fabric, and old clothes. Simple easy-to-learn crochet techniques. Square, rectangular, hexagonal, round, oval, and heart-shaped patterns

Winner of the Craft and Hobby Association's Industry Achievement Award, Suzanne McNeill has been called "the Trendsetter" of the arts and crafts industry. Dedicated to hands-on creativity, she constantly tests, experiments and invents something new and fun. Suzanne is the author of 230 craft & hobby books, whose creative vision has placed her books on top of the trends for over 25 years.

This is an excellent book for a beginner in rag rugs. It gives good instructions and drawings to help you learn the basic stitches and some fancier things once you get comfortable.

bought as a gift, and she love it ...she was looking for way to use her scrap materials from other projects and she said that this is easy to understand and fun

Great way to use old scrap material!!

Three stars may be a bit generous. I think for a beginner this would be a fantastic little book. As I'm not a beginner, I was a bit disappointed with the contents. The only thing that I used from this book was the method of joining the fabric strips...and I probably could have found that online. It will be gifted this Christmas.

So easy to follow and so fun to make. Good thing to do with old sheets and scraps of your quilting or sewing fabric.

it's a good instruction book with nice pictures but could use more beginners instructions. I hope to

make many rugs.

great

Wonderful pictures with clear, concise directions. Also includes sketches and instruction for the basic crochet stitches used. Am looking forward to trying several of these rugs over the winter.
