Customer Reviews

The best book ever to God!

I can see how people reading this book can get healed. An amazing read that has the potential of screwing your head on straight - which will be reflected in your physical body.

I purposely ordered a 6x9 edition so it would be easier to read than the 4x7. Imagine my shock to see that the text size was tiny and very difficult to read without a magnifying glass. This review does not reflect the content of the material but the size of the print. So disappointed.

very inspiring - healing takes place while reading this book.

I have read this book from cover to cover 4 times - and I go it and the Holy Bible NKJV for daily inspiration.

ideas are relevant to one's present life. great ideas to work with in making life better. highly recommend this book and all written by Mary Baker Eddy
