Undercover Deacon

Synopsis

Frank Mosely was the typical hustler who chose the streets over an honest life. Coming home to an empty house after his mother died proved to be too much to handle. There was only one way that he knew how to block out the pain and survive in these wicked streets, and that was to go back to where it all began, hugging the block. Meeting up with one of his boys from the inside and getting put on by his connect, Frank thought that it would be all good. What he didn't expect was for that decision to set off a chain of events that could possibly send him back to prison for life. If there was one thing he had promised himself, it was that he would never go back to jail. By any means necessary. Skipping town seemed to be his only option, and he needed to go somewhere where no one knew who he really was or his dark past. What he didn't expect was for the people of the small town to have such an impact on his life, not all in a good way. The enemy is always roaming and seeking who he can destroy, and he would even use someone in the church to complete his task. Just as he starts to get comfortable in his new position his past comes rushing in like a flood and he doesn't know who he can trust. Not only is his life in danger but so are the lives of the people that have come into his life. Will Frank be able to hold himself accountable for his wrong doings and have a sensitive ear to the voice of God? Or will he just continue to play the role in order to keep himself hidden?

Be Careful who you tell your Secrets to it might come back to bite you people have a way of always bringing up what you did in the past. That old saying what's done in the dark will come to the light. Book 2. Undercover Deacon 2. By. ANDRE RAY.

The author of the book contact the readers and supporters in a post , he was very apologetic for the errors, he stayed up all night and re-edited undercover deacon , which now has been updated, and will be a better read. I personally enjoyed following Frank the main character as he finds redemption, and the events that teach us all never to give up.

I really enjoyed reading this book because I know first hand God can take a booty and turn it into a Cadillac, but the Word says you have to confess with your mouth and believe in your heart I'm saying this because when Frank gave his life to the LORD he answered question but didn't make a confession himself, but I enjoyed

I thoroughly enjoyed this series. It was very well-written and suspenseful. I was rooting for the "Undercover Deacon" from the beginning to end. I would like to see a part 3 to this book. Bravo Mr. Andre Ray|BRAVO!

I didn't expect this ending....had me in tears literally....Good from beginning to end.A Must Read....God has way of ministering without you expecting it

Great characters...i enjoyed knowing Mother Mary was on time. The pastor's wife character was a bit evil in her desire for her husband's attention...but since it wasnt over played, it worked. I have already downloaded another one to read.

This book was your typical soap opera drama with church mixed into the plot. Good story there were quite a few typos as well.

Wonderful story of how God transforms lives. Even the worst of us can be redeemed. Excellent reading. Very engaging. Excitement every paragraph right up to a powerful unpredictable ending!
