One Direction 411--Fun Facts, Chats 'N Snaps!

Synopsis

One Direction is the hottest pop group on the planet right now. This is a new book just in time for their second international CD release, *Take Me Home*. We've got the inside scoop on the story of the group, what makes them click ... and why they're so unique! THIS BOOK FEATURES EXCLUSIVE INTERVIEWS AND PHOTOS ANY DIE-HARD DIRECTIONER WON'T WANT TO MISS! Even though their success flew off the charts in the U.K. back in 2010, when they were put together via the talent-search show *The X Factor*, they spent 2011 building up to international megasuccess, and in 2012 blew up like nobody's business in the States. Niall, Harry, Louis, Zayn and Liam are about to have their biggest year yet as their new album comes out in November, followed by an as-yet-untitled documentary film and then a year of international and domestic touring. They are headed in EVERY direction, and the fans are just eating it up.
