## Customer Reviews

With a rich heritage and traditions dating back to 1948, VARSITY is an innovative global leader that provides uniforms, competitions, camps, and education seminars to middle school, high school, and college-level cheer and spirit teams around the world.

I bought this book as a Christmas gift for a middle-school aged daughter of my cousin who recently got into cheer leading. She spend the rest of the evening with her head bent, leafing through the book. It includes tips on how to prepare for try-outs, what expectations are at the middle-school, high-school, and college level. There are stretches, exercises, tips on stunts, what to pack in your cheer bag. My cousin was a little alarmed when she saw the mention of hair and make-up, but was relieved to see the book specifically mention keeping things toned down, more natural. It was a hit.

very pleased with purchase would buy from you again
