Reliable, readable Rough Guides * Conde Nast Traveller *

Just what I needed when I arrived in Laos and wanted to know where I was :)Downloaded it to my iPad Kindle app, and used it extensively while there. Full of tips and good info. I don't think I could have done better.

Concise and well-written. Will come in handy when exploring Laos.

The latest info about this country for one of our favorite guidebook publishers. Always detailed and reviews seem to be right on...time will tell as don't leave for another month :-)
