Jasper - Book Two Of The Tudor Trilogy

Synopsis

â œJasper Tudor was a rebel and a warrior, the man who created the greatest dynasty England has ever known... The Tudors.â • Dr Sara Elin Roberts, author of Jasper â “ The Tudor Kingmaker Following the best-selling historical fiction novel OWEN â “ Book One of The Tudor Trilogy, this is the incredible story, based on actual events, of Owenâ ™s son Jasper Tudor, who changes the history of England forever. England 1461: The young King Edward of York has taken the country by force from King Henry VI of Lancaster. Sir Jasper Tudor, Earl of Pembroke, flees the massacre of his Welsh army at the Battle of Mortimerâ ™s Cross and plans a rebellion to return his half-brother King Henry to the throne. When King Henry is imprisoned by Edward in the Tower of London and murdered, Jasper escapes to Brittany with his young nephew, Henry Tudor. Then after the sudden death of King Edward and the mysterious disappearance of his sons, a new king, Edwardâ ™s brother Richard III takes the English Throne. With nothing but his wits and charm, Jasper sees his chance to make young Henry Tudor king with a daring and reckless invasion of England. Set in the often brutal world of fifteenth century England, Wales, Scotland, France, Burgundy and Brittany, during the Wars of the Roses, this fast-paced story is one of courage and adventure, love and belief in the destiny of the Tudors.

Customer Reviews

Kaspersky Tudor was a steadfast soldier, a loyal son of Owain. A masterful insight into Kaspersky fight to see Henry back on the throne and when failing, never ceasing to give up and stumbling onto his nephews claim to the throne and at last seeing it through. I may have to re-read it for I tend to speed read when enjoying yet anticipating what's to happen next. I hope Tony plans on continuing his writing, to include his insight in Henry VII. A must read!

This was the first historical novel written about Jasper Tudor that I can recall. Historically detailed and well researched by the author. Occasionally it bogged down with all the facts, but was well worth the read for those interested in the early Tudors. Interesting according to one of my genealogy lines, I am descended from Jasper Tudor's illegitimate daughter. The author states in his notes he did not find enough evidence in his research to substantiate or reject her Tudor birth. I had heard this before so it doesn't bother me. It's a fun speculation. History shows she was well taken care of and married well for one of her low birth. I am looking forward to final book of the trilogy. Jay Wilson

I enjoyed the first book Owen father to Jasper. Others have taken the hypothetical & theatrical view of these characters, however, Tony Riches sticks with facts then uses human nature to present the inner thoughts & conversation. I just finished Henry VII the last of the trilogy, which I enjoyed as I did the first two. I have read a lot about Henry VIII & Elizabeth I now I have a better understanding of how the Tudors came to power.

Great mix of history and story well done, can't wait for volume 3! Having just returned from Wales, I enjoyed the memories and want to revisit some of the towns and battle areas.

interesting portrayal of a period of history of which I was not well acquainted. The protagonist is not perfect and has numerous setbacks, and I expect some of the peripheral characters are portrayed differently in other books. After all, it is a period of political upheaval, war, and rivalries. The author keeps propelling the story line and action, but not at the expense of developing the key characters. This is a second in a trilogy. The first book, Owen, was equally good. On finishing, I immediately

searched to buy the third book, only to discover it is not yet published. Will look forward to its release.

2nd book Part 2 - light reading

I so enjoyed Jasper. I have read many many books and much research on the Yorks and never realized the Jasper was such an important force behind the Lancasters. I didn't realize that he was in so many battles and that he pressed on regardless of the danger until he was finally, finally victorious. I can't wait for the third book in the series it's beautifully written and I would encourage anyone who's interested at this time in history to buy the trilogy.

I adore well-written historical fiction, especially books dealing with War of the Roses and the various Tudor courts. This one didn't read quite as fast as Book 1 in the series, but I'm anxious to download Book 3.
