## **Customer Reviews**

This book is excellent and makes it very easy for a young child to read and understand the birth of Jesus. I recommend it highly....Brenda Preston

This book is a wonderful reminder of the true meaning of Christmas, about the birth of Jesus Christ. It is so easy to get caught up in the hustle and bustle of the season that many forget "Jesus is the Reason for the Season." Children will enjoy reading this book written in a storybook style with colorful pictures to enhance the story as they learn about God's gift to the world. A recommended read!

This is a great book for you to share with young children. It is a very easy to share the true meaning of Christmas in a way that children can understand. It also includes some very excellent pictures for the kids...and their parents to enjoy.

I paid \$3.77 for this? That one reviewer was right about the pictures being very cheesy. But it was also just so short! It could have had more information and still have been appropriate for kids. Want a refund!

I would recommend this book to my mother. Because she teaches children church. She should read it to the children at my church.

This is a great book to introduce my daughter to the birth of Jesus. The format of pictures plus words make it interesting enough to capture her attention. Will wait for more books from this author!

Great book for my son! He enjoyed learning about the true meaning of Christmas. Condensed version, well written!!!! Will follow up with Bible for further learning.

My daughter is 5 years old and I was looking for a simple book that explains Christmas. She enjoys

when I just read to her, and will enjoy this book because it explains things the way she's used to hearing me speak. Thank you.
