How To Overcome Fear: And Live Your Life To The Fullest

Synopsis

Fear is devastatingly real. All of us -- at some point -- have faced it. In fact, approximately one out of ten people has experienced a panic attack or a crisis situation. From fear of public speaking to fear of spiders, this feeling can prevent us from reaching our full potential. Large or small, the things we fear may seem insurmountable, but they're not. *How to Overcome Fear* teaches you that the closer you get to your fears, the more you understand them and the more easily you can defeat them. Speaking from his own experience, Marcos Witt takes readers on a clear path toward following the word of God as a bridge to living a life of victory and freedom, without fear. The first step toward conquest is to acknowledge that the problem exists. The second step is to seek help. Let Marcos lead the way. He has inspired millions with his songs and his sermons. Now let him inspire you with his words. --This text refers to an out of print or unavailable edition of this title.

Customer Reviews

"I know that if you will do your part, God will use Marcos Witt's insights to help you triumph over your fears and live the life of victory that God has in store for you." -- Joel Osteen, bestselling author of *Your Best Life Now*

"Marcos Witt is a dear brother and a man who is absolutely one of the greatest songwriters and worship leaders I have ever known. He is a wonderful friend and a fellow warrior in the battle for the souls of lost men and women." -- Franklin Graham, president and CEO of Billy Graham Evangelistic Association

"Marcos Witt possesses a unique way of bringing a message of faith and love to his audience. I highly recommend *How to Overcome Fear* for those who are interested in being truly free and living life to the fullest." -- Father Alberto Cutie, television and radio

talk-show host, columnist, and author of "Real Life, Real Love" In How to Overcome Fear", Marcos Witt exposes the struggles associated with fear and leads you on a path to living a life of victory. His book will inspire your faith in God's Word, teach you how to conquer fear, and reveal how to reach your full potential." -- Marilyn Hickey, author of "Enjoy Life: Moving Past Everyday Struggles" --This text refers to an out of print or unavailable edition of this title.

I like how Marcos is the real deal. He speaks with the knowledge and experience of God's eternal truth, but does it by sharing his own struggle to victory over fear. Many great leaders never let you get that close to their challenges. Not Marcos! It's freeing to know that someone as successful and well known as him, has encountered and overcome the same stuff the rest of us in leadership experience. He's one of us. What inspiration and hope! I'd highly recommend this great book to anyone being beaten up by fear. It'll help you kick your fears and the devil in the teeth. Freedom and faith for God's calling will come in a hurry! I gave this book 5 stars because it's really helped me in a season of launching out into the fullness and fulfillment of God's unique call on my life. Don't let fear hold you back! Let God's Word and Marcos Witt empower you! Answer the the call :)

What sets this book apart from many other good books that deal with fear can be summed up in one word: Transparency. Marcos doesn't pontificate from a lofty theological position. He invites you into his life experience almost like a friend talking with you over a cup of coffee. He shares some

personal things that many writers would not have included, making his approach very real and helpful. An accomplished and very successful man to an extent not reached by most of his peers, Marcos also has that unique gift of making one feel that he is a good friend, sharing insight and advice that is life-changing. As you read his shared experiences, you will begin to sense a change in your thinking and something happening in your heart. Buy it!

The company supplied awesome service and the book is just great, very insightful. I have always loved Marcos Witt's music and this is the first book of his that I read. I was blown away.

Love Marco Witt and this book is very helpful for those who seek to be inspired and discover new horizons.

I have purchased this book in hopes of understanding what is FEAR, where it comes from and how to fight it. I was amazed to see that this book has very well exceeded my expectations. Igor Kheifets.[...]

This is one of THE BEST books on fear and anxiety I've read! He's so relatable and honest about his own struggles with fear. I wanted to read it straight through!

Great condition.

If you only read one book about overcoming fear, I recommend this one. Although the Bible tells us that God will fight our battles for us, many Christians act as though God has abandoned them. In this charming, positive book, Pastor Marcos Witt (Spanish pastor at Lakewood Church in Houston, Texas) relates his struggles with fears (snakes and wetting the bed), depression (from doing too much touring as a singer), and not trusting God enough. In addition, he provides the kind of practical advice that many therapists suggest for those with irrational fears. Ultimately, he draws on the Bible to explain how God wants us to deal with our fears. Marcos Witt is a great story teller. I often listen to his sermons on the Internet (when he stands in for Joel Osteen, not the ones in Spanish). As I read this book, I could "hear" his voice telling these stories. I wish I had a CD version of the book to share with my family and friends who walk around feeling afraid all of the time. I think that the most important message in the book is that if your life is filled with fear, regret, and other problems . . . you don't yet have the right relationship with Jesus. Through this book, you can rededicate your life to Him and live in confidence that the only thing to fear is fear itself. Bravo, Pastor Witt!
