Knight Of Darkness (Lords Of Avalon)

Synopsis

For countless centuries, I've been the assassin for the infamous Merlin, even though the woman who birthed me sits at the right hand of our enemy, Morgen le Fey. Now both my mother and Morgen have decided that it's time I take my place on their side of this conflict. Normally, telling them no wouldn't be a problem, except for the fact that the good guys I protect think that I'm an even worse demon than the ones we fight. Hmm, maybe they're right. I have to say that I do enjoy maiming anyone who gets in my way. At least until my mother gives me a simple choice: join Morgen's Circle of the Damned or see an innocent woman die. I'm all for saving the innocent, but Merewyn isn't as innocent as she seems. And she's none too fond of the fact that her fate is in my dubious hands. Personally I'm all for taking the easy way out, but leaving her to Morgen is rough, even for me. Now the only way to save both our lives is to face the vilest forces ever known—my mother and Morgen. And two people who know nothing of trust must learn to rely on each other or die: provided we don't kill each other first.

Customer Reviews

I read this one in no time, and I wish I had the next one to read!!!! This one is Lancelot's son with a twisted black Fay. She walks a line between the dark and light. His father, Sir Lancelot detest him, as does, it seems many Knights of Avalon, but King Arthur and Queen Guinevere did not. Find out what happens to Varisn!!! Truly a huge page turner!!!!

Great book. The character development is pretty nice . Blaze's sarcasm is always good, like in the first book. Sometimes it got a bit slow and cliché, but what book doesn't?

The story structure is pretty much the same as any other of this series. Male lead character had an terrible life; believes himself to be unlovable and undeserving. In comes female (virgin of course) lead character. First both characters clash and can't stand each other. Stuff happens and they have sex and fall in love after 5 seconds of meeting each other. Not bad writing, but very predictable.

I have never read any of Sherrilyn's books under her pseudonym. I wasn't sure what to expect. I loved every minute of the book. it was easy to follow and understand, as I'm unfamiliar with King Arthur and the folklore of that time. it was full of adventure. there was a well written plot and deep character connection. the development between the characters kept me interested and the romance was believable. it was a walk through the adventures of knights and faeries, with light hearted humor and enchanting romance.

I love Kinley MacGregor and her alter (but real) ego, Sherrilyn Kenyon. These books are completely different from her Dark Hunter Series, but all the better for that. When I see a new book by Kinley MacGregor I get it for my library, because each time I read it (and I do re-read them) I see something I missed the previous time I read it.

I'm an avid follower of Kenyon/McGregor. I love the way her noodle works. Keep writing, Sherrilyn, and I'll keep buying your books.

Loved the book, am looking forward to the next one in the series

Fun reading! Love the characters and story line. I am a series reader so appreciate all the back story. I would recommend to anyone who reads Kenyon or Feehan series books.
