Written well and has many places in the book that the locals also recommend! Sri Lanka is a beautiful place and the people are even more amazing! Is written with such sympathy and good humore. It is superb if you want to know about Sri Lanka.

Lots of typos. They repeat that Sri Lanka is surrounded by water I think 101 times. I've got that memorized now. But I highlighted probably 45 things I want to experience. Can't wait to try the foods they highlighted.

Great! Here is the thing that you have to think about Sri Lanka Travel. Continuously, Always, Always request the cost of a thing before you make the buy. From tea to supper, to umbrellas, to lodging stays, to surf board rental, to transport go to and so on. You are a visitor, you should have cash, along these lines I will take as much as I can from your pocket. Truly worth suggesting!
