## Synopsis

Another consideration, which just logically unfolds is that apparently, God had an ulterior motive, and he was eventually glad for the fall of man. Basically, the man had the right to tell him: "My dear Daddy-God! If I am not mistaken, the good is what you like and what is morally good, and the bad, on the contrary, is all that is bad and all that you do not like. Is it like that or not?" That is right, my son, would have answered the Creator. "In this case, could you continue Adam, let me know what is wrong, so that I could avoid it. Otherwise, why is this tree here, if I cannot touch it? However, instead of God, the priests concealing themselves under his name give answers. They say, God put our newborn humanity to a test. God wanted to see if Adam would obey, when he requires minor hardships from him. However, this statement is easily disproved. According to theological imaginations, God is all-knowing and he knows the future. Therefore, he should have foreseen what would happen, because nothing is done without his will. This means that God himself wanted the people whom he created to sin. There is no doubt in that.

## Customer Reviews

I would highly recommend this book to anybody who wants to learn the truth about the Old Testament. Excellent book.

In spite of being written in the 19th century, this book is very relevant today. Excellent, truthful book!

I have read this book back in Romania when I was just 13 years old. I laughed so hard and fell in love with it instantly. It remained in my memory forever. I was very disappointed to discover the book is written in French, Lithuanian and Romanian only. I have not read Arthur Tovmasyan English translation, I do hope it retains the sarcasm, guile, cynicism and implacable humor.
