HOW TO SUCCEED AS A BOOK SCOUT: Make \$500 To \$2,500 Part-Time Every Month!

Synopsis

A GREAT STARTER FOR ANYBODY WHO WANTS TO MAKE MONEY AS A BOOK SCOUT AND HAVE FUN ON THE JOURNEY I have followed Mr. Freeland's plan, and can honestly say to my delight that it works! If you're looking for an alternative and interesting way to make some additional money, I wholeheartedly recommend you purchase this e-book." —Michael Klastorin author of the International Bestseller, Back to the Future: The Ultimate Visual History This is Mitch Freeland, author of How to Succeed as a Book Scout. I wanted to take this opportunity to let you know a little of what you will get in this book. This book is for new book scouts and it is an introduction to locating (scouting) valuable books. What is a Book Scout? A book scout is someone who finds books of value and then sells them to online book dealers and in bricks and mortar stores. Scouts do this with a mobile phone connected to the internet when they get pricing information from a dealer or online bookseller or online book buyer. The scout enters the ISBN number of the book into the bookseller's Internet-based system. A price will pop up showing the scout how much the bookseller is willing to pay for the book or a statement will show that the book is not currently being purchased. At check-out a Free postage label is printed and the scout ships the book to the dealer. Most scouts will ship numerous books in a box. A Paypal payment is almost immediate when the dealer receives the books. Check payment is also available. Sourcing or procurement of books is one of the most important aspects to making money in the book business whether you plan on pursuing it part-time or full-time. Here you will find some of the sources I use when scouting for valuable books. You will also learn the following: 1. All the great reasons to be a scout 2. The "seven-step method for goal setting and achievement" in book scouting 3. How to develop a clear mindset and set plans 4. Where to get books, DVDs, CDs and even VHS tapes that sell and make you money 5. What books NOT to collect 6. The best types of books to collect that will consistently make you money. 7. How much to pay for any item: books, DVDs, CDs and VHS tapes 8. How many books you should expect to acquire from a library book sale that are worth selling 9. Answers to the most frequently asked questions of new scouts 10. Being a success for the long-term This is a short book; it is a monograph to get you started as a book scout. If you are serious about making money and having some fun, selling books and other media products could be the perfect fit for you. Customer Reviews

It seems that there are countless books that offer a way to make 'easy' money. At best, they usually give vague theories of information easily found elsewhere, and at worst, they ask for even more money for greater details of these 'get rich quick' offerings. Mitch Freeland delivers on the promise of information he makes. Not only does he offer an interesting and unique way of earning alternative income, he gives you the specifics in order to make it work. He outlines a process and procedure

that virtually anyone can take advantage of. His insights are unique, informative and most importantly, honest. He is upfront in that one will need to invest a small amount of monies in order to proceed, but the costs are relatively minor and the author isn't asking the reader for those monies. Mr. Freeland has given anyone interested an honest blueprint to follow that if followed correctly, will turn a profit, and as he explains, it's up to the reader as to how much time they want to invest which in turn will determine their potential profits. I have followed Mr. Freeland's plan, and can honestly say to my delight that it works! If you're looking for an alternative and interesting way to make some additional money, I wholeheartedly recommend you purchase this e-book.

It shows savvy ways to find books on the cheap. Built-in scanners on phones can scan value of textbooks. Some sellers use bluetooth scanners for books. Older books scanners don't have ISBN number. You have to search online for books, if ISBN number is not found. Don't throw away your old VHS tapes. There are rare VHS tapes that have never been released on DVDs. Rare Made for TV VHS movies are worth money.

This book is a great starter for part-time income as a book scout. It gets right to the point. The authors know what they are talking about and anybody can make money doing this as long as you follow their lead. Great "How-To" book to get started.

This version of the book was a quick read, gives enough information to consider this journey, not for me but for others, this may be the perfect business. I did enjoy the read, it stayed on track nicely.
