## Customer Reviews

The pictures are beautiful, I just find the book a little "dark".

Beautiful book with beautiful women! I am enjoying coloring these pages, using either pencils or

markers. Because the book is grayscale, most of the shading has been done for you. The women are beautiful in their classic gowns. What a pleasure! All of Renee's coloring books are wonderful! I would recommend any of them if you like coloring in grayscale. There are colorings of kids, animals, nature, pin-up girls, her seasons girls are great too.

just gorgeous and easy to color and a stress relief coloring book.

Very pretty pictures, but many are on the dark side.

Images are blurry. Not as good as I expected.

Gorgeous book. I have the digital book. It's awesome. I love greyscale. It's easy to color the pitchers.

this greyscale coloring book is AWESOME!!!! it has actresses in it that I grew up watching on tv and at the movies. I remember a lot of them dressed in the floor length beautiful gowns like they are wearing in this book. GREAT JOB ON THIS BOOK RENEE.

If you like coloring grayscale you will love this book, absolutely awesome pictures!!!
