## Customer Reviews

An absolute credit to the specialization of Entertainment Law practice in the USA in 2015. As a litigator of 27+ years where intellectual property always enters the discourse and litigations that arise in the Entertainment Industries, Sherri Burr is the legal professional you want on your shelf before and after the bar examination in your daily practice and is so much more than mere dealmaking, copyright discourse, intellectual property generics but hones in on unique matters that arise in modern day packaging, distribution, financing and streaming across multiple platforms that the Industry expects and demands of practitioners. A must-read and have in your library for any legal professional.
