Arak And Mezze: The Taste Of Lebanon

Synopsis

Arak and Mezze celebrates two of the Levant's cherished traditions – the aniseed-flavored spirit that inspired the great eaux de vie of Europe, and the appetizers that have become a byword for all that is delicious and healthy in Lebanese food. Michael Karam and Norbert Schiller explore the roots of arak making, its place in the history of alcohol distillation, its role in Lebanese society, and the way in which it has shaped the Lebanese rural tradition. Michael Karam is Lebanon's leading wine writer. Norbert Schiller is a prolific Middle East news photographer. His work is featured regularly in The New York Times and Der Spiegel.

Michael Karam is Lebanon's leading wine writer. Dividing his time between business journalism and wine writing, he is a contributor to the award-winning Wine Report and Jancis Robinson's Oxford Wine Companion. Norbert Schiller is one of the most prolific Middle East news photographers. His work is featured regularly in the New York Times and Der Spiegel.

Beautiful photos, wonderful text. So readable, I couldn't put it down.

What a great tour of the Lebanese people, food and drink! First of all I am most impressed with the pictures. Best that I have seen in any cook book about Lebanon. Secondly, the wonderful pictures of the people and the scenic areas of Lebanon made me feel like I was back there visiting my cousins once again. I was amused at the wonderful coverage of the art of making Arak. Our Mezze wouldn't be special with out that wonderful liquor. This book is one of the best values ever when it

comes to getting the essence of the food, the culture and the beauty of Lebanon. To Michael and Norbert, the authors: Thank you so much! Sam George

Great book. Glad to have it.
