TOEFL iBT Preparation Book: Test Prep For Reading, Listening, Speaking, & Writing On The Test Of English As A Foreign Language

Synopsis

TOEFL iBT Preparation Book: Test Prep for Reading, Listening, Speaking, & Writing on the Test of English as a Foreign Language Developed for test takers trying to achieve a passing score on the TOEFL test, this comprehensive study guide includes:

- Quick Overview
- Test-Taking Strategies
- Introduction to the TOEFL iBT
- Reading
- Listening
- Speaking
- Writing
- Practice Questions
- Detailed Answer Explanations

Each section of the test has a comprehensive review that goes into detail to cover all of the content likely to appear on the TOEFL test. The practice test questions are each followed by detailed answer explanations. If you miss a question, it's important that you are able to understand the nature of your mistake and how to avoid making it again in the future. The answer explanations will help you to learn from your mistakes and overcome them. Understanding the latest test-taking strategies is essential to preparing you for what you will expect on the exam. A test taker has to not only understand the material that is being covered on the test, but also must be familiar with the strategies that are necessary to properly utilize the time provided and get through the test without making any avoidable errors. Anyone planning to take the TOEFL test should take advantage of the review material, practice test questions, and test-taking strategies contained in this study guide.

Customer Reviews

This TOEFL iBT book is perfect for individuals looking to read, speak, and write English as a second

language. It is filled with comprehensive reviews of subject matter, not limited to detailed answer explanations; but also test taking strategies, practice questions, and success strategies. I would suggest this book for English speakers looking to brush up on the English language also. The most important feature of this book is in its ability to cover all of the subject matter that is most likely to appear on the real test. Explanations are here to help you identify where and how you made an error. Additionally, it comes with a guarantee. It is guaranteed to raise your score. If you want to pass your exam, this is the book to buy! Good luck on your exam. :)

The book is very detailed. It is easy to understand. The book is very helpful to me. This book is really nice to have before taking toefl exam. It helps me to understand what toefl is all about. I learn a lot of new idea's and techniques because of this book.

In the listening practice portion, there is no way the students can listen. So the listening part is not actually listening practice, it is a continuation of reading. There are also other mistakes that need to be corrected.

A good book to help you navigate through exam prep.but,less practice tests.

Great guide for understanding the nuances of the TOEFL. Laid out very systematically and chock full of good information and test strategies. Great for a general refresher or learning the main components of the TOEFL.

Good addition to my library. The text is very straightforward and easy to comprehend, and it will definitely help students get a framework for what is expected of them. I was hoping, however, for more graphics. Since this is a prep for an online test, it would have been helpful to have screen shots of what the actual test will look and feel like. Overall it's a helpful tool.

It is a great tool book, there are lots of useful information into, it would be a wise choice to use it as a preaparion book,I am studying right now. and it is portable. I carry it everywhere.love it !

Great study guide! It is super easy to read and follow.
