A Warrior Prince For God

Synopsis

“Once upon a real time there lived a boy named Luke. He dreamed of being a mighty warrior who was brave and courageous. But there was just one problem. He was afraid.” In a lively story about baseball, camping, and facing your fears, author Kelly Chapman helps readers see that, no matter what they are afraid of, they can be strong in the Lord and in God’s mighty power. A Warrior Prince for God is all about finding out that a warrior prince is a Christian who lives a life worthy of his calling and enters into battles only when he is called, and then relying on God’s strength and not his own. For ages 3 to 8 years

This was for my grandson. There are lots of material for 'Princesses for God' but next to nothing for boys, UNTIL I discovered this. The story is cute and meaningful. And my grandson understood it, he totally comprehended the moral of the story. Glad I bought it.

I love reading this book with our 4.5 year old. He loves the story and it has made for some great conversations about Jesus and what it means to be part of His kingdom. We've read it a dozen times now and he continues to enjoy it.

Great product!

Great book for young boys.

What a wonderful little book for your little Christian crusader! A definite keepsake for your son to cherish and to pass onto his son! Highly recommended as well as the little book "Princess with a Purpose" for your daughter!

Takes longer than the first chapter to really start the story.

My Grandson has enjoyed receiving this adventure book. I love giving books to my grandchildren that represent positive values for living.

Perfect for my grandsons. Positive & a welcome change from typical children's stories. Good to have something for the guys in the family.
