Downed Over Germany: Prequel To The War Girl Series

Synopsis

Tom Westlake is a British RAF pilot. His struggle to survive starts the moment his fighter-bomber is shot down over Germany in 1943. Follow his adventures and find out if he manages to stay alive despite Gestapo hunting him down. This is a short story.

Customer Reviews

I thoroughly enjoyed reading this prequel and look forward to learning what happened to Tom when War Girl is released. I have read Marion's trilogy, which is the story of her grandparents, and I highly recommend that as well. The story has stayed with me because so much love went into its telling.

This introduction to a series was filled with action and suspense. It ended with a cliffhanger which I usually don't like. However, I knew this book was written as a prequel to spark interest in the coming books. Tom's story will continue. I look forward to reading it.

Hmmm, I like Marion Kummerow so this book was worth the afternoon read. She is descriptive so having an imagination is good. This book started with good people and one bad one. It ended with good people and no bad one so it followed the story and the end was predictable. A little suspense might have helped. Interest in and knowledge of WWII history is a big help

You keep me riveted. I am there with the poor airman who has been brutally hurt. I admire his courage and know that I could never withstand the pain. You write a compelling story

Love this book and the others in the series, excellent

A book like this is a gift to everyone who reads it. Marion Kummerow has produced a masterful mix of real life and fiction It is a story that will stay with you, keep you up at night because you can't put it down.. 5 stars and a heartfelt Thank you to Marion Kummerow for combining history and storytelling so brilliantly.

World War II is not a time period I usually read about, mostly because I prefer earlier history. But in this case I am willing to make an exception. I downloaded this because it was a prequel and I knew I could get through it even if I wasn't thrilled with it. What a wonderful surprise! If this is any indication of how the rest of the story will read, I want more.

Downed over Germany by Marion Kummerow is a captivating prequel to her upcoming novel War Girl. Fast paced action, strong main character and the story definitely keeps one's attention and whets the appetite for more. Can't wait for the next installment of this story.
