So cool! My son loves this book! It tells history, facts, funny stories!

We got this to do as a little family devotion and it has been very fun. We do the reading out loud and then the kids take turns answering the question. We love this and it came in fantastic condition.

Great tool to use in my Bible classes.

We enjoy using this book in our 3rd grade Sunday School class both before class starts (with those who are early) and after our lesson (while kids are waiting to be picked up) It's fun for the kids, but also teaches them something!

Wow! Having and playing Bible trivia, its fun, fantastic. Good for the soul.

More for adults, but it will stretch the knowledge that kids have regarding Biblical truth. A good purchase.

Great book, very helpful in reviewing the lessons we learned in children's church.

Love it
