## Synopsis

He Who Seeks Destruction, Wields Evil...As the search for the legendary Dragonwand continues, Markus and his trio of travelers find themselves in unfamiliar territory traversing the countryside for clues to its whereabouts, while Hallond persists with his plans to rule the Kingdom. But the closer they get to obtaining the Dragonwand, the more evil lurks around every corner and even those creatures that seem the most unassuming are a threat to the group. Captain Morris persists in his effort to foil their plans of freeing Gallenor from imminent destruction, aligning himself with the Shlan. As a lighthearted romance between Markus and Crystal blossoms and Markus begins to understand his destiny, they soon learn that love may just be even more powerful than any magic ever foretold. But will their collective efforts be enough to vanquish the wicked for good?

## Customer Reviews

The dragonwand will be found. There are adventures to find, people to know, gnomes to dig from rocks and history to uncover.

Very entertaining and keeps your attention from beginning to end. Full of magic. Cannot wait to read the next book!

Nice read!!!!

Markus, Crystal, Kiin, and Treb continue on the quest to find the dragonwand. They find there is more to the codex than what Markus can initially see. He finds a map to a citadel and makes plans for them to get there. But Morris is hot on their tails and the four gets separated. Markus and Crystal find some gnomes that are not as helpful as they seem. But then they find the citadel and Markus learns the truth about the dragon counsel, the dragonwand, and what his role in this world is going to be. This is a great story with lots of action, a great plot, and a little romance that won't make you sick to your stomach. I loved how everything fit together and had some little surprises that keep you on your toes. The Legacy of Dragonwand is meant for young adults but I feel any one of any age would like this book. If you like a great fantasy quest you have found your new favorite book. I will be honest, make sure to read book one first otherwise there is a little catching up to do. I received Legacy of Dragonwand: Book 2 from Reading Addiction Virtual Book Tours for free. This has in no way influenced my opinion of this book.

God dammit dude you're killing me I can't keep up with this and can Morris just die? Good guy markus with the previous staff though.

Daniel has written a well done story that carries you into another world where the characters pull you along with the adventure and keeps you on the edge of your seat! I love the characters and the land they travel through it really is a fantastic story!
