## Customer Reviews

Book by McAllister, Bruce

Bruce McAllister had done a wonderful job with this new book in his great series of pictorial books. All of his "WINGS " series are a must own for all of us interested in the North and the history of aviation. If your a student pilot or an old pro, this and all the books in the series are a must for your bookcase. I also recommend another great read on northern aviation, FLYING NORTH SOUTH EAST AND WEST, by Captain Terry Reece Flying North South East and West: Arctic to the Sahara
