Customer Reviews

I didn't feel like waiting for physical flashcards to ship, so I used the electronic version. That was a great idea! I can carry around my phone and practice the vocabulary. At the time, I didn't think that it would matter to use these flashcards, because would the creators of the SSAT just HAPPEN to use even one of these verbs? I thought not. When I actually took the SSATs, I noticed that at LEAST twenty of these verbs were on the test. Recommended buy!

Didn't copy so well on the kindle app.

I like and clean and simple format. The words are just the challenge that I am needing for my student.

It has great concepts lots of vocabulary. Very essential for learning. Teaches kids a lot about vocabulary and math concepts.

I am Homeschooled and I am getting ready for the highschool entrance exam, this has helped me a lot for the ISEE! So pleased! Very worth the money.
