This is MUST HAVE for me!! I've bought it the last three years and have completed every single puzzle!!!! I love knowing that each day a new Sudoku is waiting for me!!! I also buy an extra one for my Mom each year for a Christmas gift. It's the gift that keeps on giving all year long!!

This Sudoku Notepad is very good. I bought one a couple of years ago. I liked the layout of it better: date on top, puzzle a little larger. I appreciate the daily quotes on this one. It also serves as a diary.

We get these every year for stockings. Good texture, good size, medium difficulty puzzles.

Not much to say, It's a calendar with Sudoku. This particular calendar is nice because of the hard backing and large amount of note taking area on each page.

use this calendar at work every year

As advertised.

My husband loves these books.

I purchase this item every year as a Christmas gift for my daughter. It is always a hit.
