FIRE DOG BAILEY'S KID'S FIRE SAFETY BOOK

Synopsis

Be aware! Sharing this book with children may save lives and be very enjoyable no matter how many times it is read and practiced. Fire Dog Bailey's Kid's Book of Fire Safety shares six vital, fire-safety lessons (with practice exercises) for kids of all ages. Bailey a big, furry Golden Retriever, worked with author Harry Martin and their firefighter friends teaching hundreds of children these important lessons in assemblies, classrooms and fire stations. Join Bailey in these heart-warming and life saving lessons with your loved ones. With ever increasing demands on classroom time and limitations in fire department fire prevention budgets we can't assume these fire-safety lessons will be taught in our schools. This powerful little book shares the lessons in a way that invites the full involvement of everyone, just as Bailey the Fire Dog did in his classes. Although written with younger children in mind the lessons are relevant for all ages besides being a special treat for dog lovers.

Customer Reviews

I love this. It teaches kids about fire safety in a clear, empowering way, and it shows them that being different is okay too. The photos and illustrations are wonderful as well.

So cute and informative. I'd use this in my classroom!
