A Man By Any Other Name Is Somebody Else Altogether: The Complete Alex Cheradon Volume One

Synopsis

Not only is this the complete Alex Cheradon Volume One, that's all 3 previously published books, but it's all 3 books for the price of 1. That's right. If you haven't taken the opportunity yet to join Alex on his crazy adventures, now is the perfect time. Included in this edition: FRUITBASKET FROM HELL (Book 1) Steven Raines (you know, the man who made billions making an operating system that out-Microsoft-ed Microsoft?) has hired Alex Cheradon (private investigator) to look for his missing daughter. Good news: it's a million dollar payday. Bad news: she may be a Satanist hell bent on bringing the Devil to Earth. The dead bodies are piling up. Vampires are crawling out of the woodwork. And there's something named Pookie that's lurking around the corner. Breathtakingly paced, the jokes and wisecracks fly fast as Alex races against the clock to save the day. A IS FOR AMNESIA, B IS FOR BULLET (Book 2) In this action packed follow up to Fruitbasket from Hell, private investigator Alex Cheradon is faced with a nail biting case. Reeling from the public relations nightmare that accompanied accidentally tackling a senator's daughter, Alex is approached by a man with a lethal case of amnesia. He wants to hire Alex to find out who he is, and since he just happens to have a winning lotto ticket that's worth 10 million dollars, money's no object. But as Alex starts to look into the man's past he finds more questions than answers and a whole lot of people out to kill him. The clock is officially ticking. The crazies are coming out of the woodwork. And it's down to Alex to save the day... LITTLE PEOPLE, BIG CRIMES (Book 3) In his third book, Alex Cheradon, private investigator, wants nothing more than to lay low and ride out the repercussions from his previous time traveling mishaps. Unfortunately, his ex-girlfriend, Angie, has other ideas and drags him into his most bizarre case yet. Giggles, the town's most infamous midget, has run off with 10 million dollars. Vincent Jane, a nobody with nothing, is left holding the bill. If he doesn't get that 10 million back he'll be paying for it with his life. Alex and Angie are caught in the middle and headed for a showdown with their toughest opponent yet: the malevolent, malicious Midget Mafia. This is the perfect jumping on point for new readers. Everything you need to know about Alex Cheradon is right here. So jump on already! _____ The Alex Cheradon Series Continues in: Volume 2 One Time Only (Book 1) Welcome to Crazytown (Book 2) Odd Man Out (Book 3) Full Moon, Half Wits (Book 4) One Tomb Short of a Graveyard (Book 5) Volume 3 Lucky Dogs (Book 1) Everything's Coming Up Aces (Book 2) The House Always Wins (Book 3)

Customer Reviews

This is a great price for all 3 books in one place. Why not pick it up and read it all in one continuous book rather than one at a time? The first book, the first chapter of the first book, is what made me fall head over heels in love with Alex. Filled with quirky humor and biting sarcastic dialogue, anyone who liked the humor and storyline of The Hitchhiker's Guide to the Galaxy will enjoy this compilation. These books are a fast and easy read. See my individual reviews below.

Fruitbasket From Hell: This was my very first Alex book. I had gotten it for free and I only downloaded it because it was free. This is not my usual book as I am not into reading the supernatural. When I finally got around to reading it, I just wasn't sure what I was reading. This book starts off strong with Alex right in the middle of his sarcastic, smart-mouthed, deadly situations. But the more I read, the more in love with Alex I fell. He is an original PI, filled with dumb luck and quick wit. I could not get enough of this guy's witty banter, especially between him and Nick. I would sum it up by calling it a comic book with no pictures--plenty of action, nonstop.

A is for Amnesia, B is for Bullet: There is just so much fun to be had in an Alex Cheradon book. The goofy adventures never stop, and his crazy dialogue just keeps getting crazier. The things that go through Alex's mind remind me of the 13-year-old comic book readers I knew that never grew up, and those are always the people who

are the most creative and fun to be around. Fun is the magic word for this book as it is fun from the first page to the last. There is just something I love about Alex and can't get enough of. Another comic book without the pictures, this is a great, light, humorous story that will take you places you can't imagine. Little People, Big Crimes: I just love an Alex Charadon book and this is right on track with the others. The fun does not stop, the witty banter, the sarcasm, the crazy situations, the time travel, the blow ups. There isn't anything that can't happen in an Alex book and you just can't imagine the crazy situations that come up. That is what is so fun. One minute you can't fathom how he is going to get out of the mess he is in and the next comes the impossible answer that has you laughing and shaking your head. Krumbine has such a wonderful imagination and a way with dialogue like no one else. Another fun Alex book!
