800 Classic Ornaments And Designs (Dover Pictorial Archive)

Synopsis

Graphic artists, illustrators, and craftspeople will welcome this treasury of beautifully engraved ornate frames, scrollwork, and other highly decorative designs. Over 800 in all reproduced from an extremely rare mid-19th-century style book. Comprising 142 plates, the volume features a lavish assortment of ornaments, bedecked with flowers, mythological creatures, and other fanciful touches, all beautifully rendered in meticulous detail. Other striking designs incorporate a rich selection of classical columns, plus heraldic designs, shields, coats-of-arms, seals, and insignias from Austria, Russia, Denmark, France, and many other countries for a touch of medieval flair or aristocratic ambience. In addition, this collection offers a variety of charming calligraphic alphabets in styles ranging from plain to majestic. An invaluable source of inspiration and a treasury of designs for permission-free use, these distinctive images are ideal for enhancing such print projects as ads, brochures, newsletters, posters, signs, catalog copy, and much more.

Endless source of inspiration. Images of the designs are quite small, but very detailed.

The book has everything it claims to offer. It is up to the skill set and imagination of the owner whether this information is useful or not.

pretty good renditions of styles. Kinda small illustrations but still nice

Great work - jammed with ideas for my illustration work

nice resource for artists!

most of pictures small and dark making it hard to copy for painting....ok just to look at but hard for me to use for patterns
