## Customer Reviews

PopOut is the unique, genuinely pocket-sized map which features our patented PopOut fold. It is this innovative design that allows our precise, easy to follow cartography to be right in your hand when you need it most. Moreover, the origami fold means you can do away with that awkward, oversized map, making it a compact and discreet reference tool that doesn't shout 'tourist alert'! PopOut was founded in 1993. Having spotted a need to cure what he calls 'Map Stress

Syndrome' after watching numerous tourists around the City of Bath, England, battling with oversized maps, founder Derek Dacey recalled the invaluable miniature charts he used during his days as a commercial pilot. Aiming to bring this level of usability to the city map market, a small team of designers was recruited to realise what would soon become the PopOut. 1993 saw the release of the first ever PopOut Map Bath, which was sold in the gift and souvenir trade across the city. Hot on the heels of this initial success, a research trip to the USA culminated in a redesigned layout, combining strong photo images, high quality printing and laminated covers – standards which are still adhered to today. That research trip also saw the birth of the first US destinations covered in the PopOut range – Boston, NYC, Philadelphia and Washington DC. Launched in the new style in the US they enjoyed instant success in the gift and souvenir trade. Today, PopOut produces over 100 titles for major destinations and is loved by travellers the world over.

We pick up a PopUp map for every major city we visit in Europe. Simple, small and effective. In addition to larger guides, these are easy to tuck in a pocket and it will help get you around town.

Streets not readable print too small

Great pop up map with all sightseeing places marked and on the map

Map is small to put in your pocket. But it has several maps with different themes. One is of the rail system, another is museum area and there are a couple more. Which this confuse me trying to put everything together.

On my way.

OMG..... Must Have!

Very good.

Good Map But So Small To Read.
